

2014 Annual Workday!

Saturday, October 4th at 9:00 a.m. sharp!

Alternate date: Saturday, October 11th . . .

. . . in case of inclement weather

Come One, Come All -- There's Something for Everyone to Do!

Bring your shovels, hoes, rakes, weed whackers, trimmers, clippers, gloves, and such. This is a real work day. We are going to be cleaning up around the graves, clearing out briars, and other unwanted growth.

It's time to roll up our sleeves and put some "sweat equity" into our Clark Cemetery grounds. President Wayne Clark will have some suggestions for work assignments and the Trustees will be on hand to guide the work.

Thanks to Kimberly (Woody) Boretsky for providing dishes.

We'll bring water and refreshments, but mostly let's bring our determination to beautify our historic Clark Cemetery grounds!

Find the Coordinates!

Melvin Woody will be challenging our Trustees and any member who wants to try to locate our plot coordinates, finding a coordinate marker and then finding a plot.

We might even have a contest on who can find the coordinates the fastest.
